AIA MICHIGAN

Good afternoon!

Last week was an eventful one with Election Day on Tuesday and the AIA Detroit Honor Awards on Thursday. Having participated in both, I will say that I am proud to have completed my civic duty on Tuesday but I'd enjoy watching aerial acrobats over waiting in line to vote any day! It was great to see many of you at the awards and I hope to see you all at our Holiday Open House on Dec. 13th.

Reminder to Chapters: Please send your calendar of events to christine@aiami.com. We would like to get them all on one main calendar next year which is on the front of the website as well as listed in all of our publications. We will also promote your events in our Newsletter or Monday Minutes. We need to hear from you!

Upcoming Events:

December 13 from 4:30-7:00pm: AIA Michigan, AIA Detroit EPC, and AIA Michigan EPC join together for a Holiday Open House at the Beaubien House.

2013 AIA Michigan Honor Awards Call for Entries!

The Honor Awards are celebrated in June, but now is the time to submit your project! Many of the changes our membership has asked for will be enacted this year and the Award ceremony will be even bigger and better than previous years. Changes include opening our awards to every licensed architect across the state and the addition of three new awards: the Associate Member Award, the Student Project Award and the Unbuilt Project Award. The Eli and Edythe Broad Art Museum at Michigan State University is now open!

The Eli and Edythe Broad Art Museum opened this past weekend at Michigan State University. The museum, designed by Zaha Hadid and built by Barton Malow, is remarkable due to both its steel and concrete structure and its 46,000 square foot size. The firms of iDS and Hamilton Anderson Associates also played a role in the building process. To read the full press release, click [here](#).

**Own a Piece of History and Support the Frank Lloyd
Wright Affleck House!**

This elegant custom commemorative pen is designed and handmade by Lawrence Technological University School of Architecture alumni Frederick F. Butters, FAIA, Esq. from the few remaining remnants of the Tidewater Cypress wood removed from the Frank Lloyd Wright designed Affleck House during recent maintenance.

Placed on the Michigan State Register for Historic Places in 1978, and the National Register of Historic Places in 1985, the guest register records over 10,000 visitors who have enjoyed the splendor of this magnificent design. All proceeds will be exclusively employed to complete the on-going Affleck House restoration.

Don't miss this once in a lifetime opportunity to own an actual piece of Architectural History while supporting a good cause. Act soon as orders will be closed at 100 and no more will ever be made. Fewer than 40 remain!
