Don't forget to take our current survey question of the month.

[What are the top 5 things an Architect does?](#)

We will post the results in our next newsletter.

"Architecture, of all the arts, is the one which acts the most slowly, but the most surely, on the soul"

-Ernest Dimnet

Happy Monday!

Last Wednesday I had the pleasure of attending Legislative Day in Lansing. We had a great group of attendees who were all able to meet and spend time with our Legislators. It was a positive event and I look forward to seeing even more members at next year's event!

Please take a moment to answer the poll question in the left side bar. As part of a larger public awareness initiative, we are gathering responses from architects across the state in all types of practices to see what five things they do most often. I will share the results when all the answers have been gathered and I look forward to seeing your answers, so thank you in advance for participating! There are other exciting events just around the corner:

AIA National Grassroots is March 20-23rd in Washington, D.C. Be sure to check out the AIA National [website](#) for more updates, including registration and hotel information. If you are attending, please email cathy@aiami.com as soon as possible to ensure you are included in the Capitol Hill visits!

Registration for the [AIA National Convention](#) (June 20-22nd in Denver, CO) is open on the AIA National [website](#). On the website you can build your own itinerary ([here](#)), and [hotel information](#) is available as well. We have secured a hotel block at the [Magnolia Hotel](#), please contact aiami@aiami.com if you are interested.
