- Security
- Skilled Nursing
- Surgical Suites
- Utility Infrastructure
- Women's Centers

IMEG is a leading healthcare engineering design firm that delivers a rare combination — the broad expertise of a national leader with the personal relationships and deep collaboration of a local firm. But what really sets IMEG apart?

- Our **market-sector team structure** allows our engineers to specialize and become healthcare experts – providing data-driven solutions and innovation.
- We value a **culture of learning** and development – sharing our knowledge to help impact industry trends and solve complex design problems.
- Through organic and strategic acquired growth we have an extensive **breadth of expertise and deep bench of client knowledge** – helping transform healthcare environments and communities.
- We have been driving healthcare design innovation for decades delivering many “firsts” in sustainable design – helping clients become **energy stewards** and reduce impact.
- We bring extensive national, regional, and local knowledge to every client relationship – with a commitment to deliver high quality, cost-effective outcomes through a **collaborative and flexible project approach**.
