

Employment Opportunity at von Staden Architects in Royal Oak, MI

Project Architect, Full Time,

von Staden Architects is a small architecture and design firm, located in Royal Oak, MI. We work on a diverse range of projects, ranging from large scale commercial interiors to specialty retail and restaurants, as well as high-end residential projects. In studio, we work in an open, collaborative environment, where we all do a little of everything.

We are looking for a project architect to assist in the development of documentation and organization of projects. This position requires at least 5 years of full time construction document experience, in Autocad and Revit. Must have knowledge of drawing set-up and detailing. Qualified candidates should have a strong work ethic, an intrinsic curiosity about materials and making things as well as a sense of humor. Salary range: \$40-\$50k annually + bonus.

Qualified and interested applicants may send resume and examples of work to gail@vonstadenarchitects.com

Applicants will be contacted via email. No phone calls, please.

Responsibilities:

- Site analysis, as-built documentation, conceptual design
- Design and delivery production support
- Design phase – project feasibility and concept design
- Construction observation – site visits; weekly conference calls; submittal review; RFI review; ASIs and PRs
- Project communication including consultants, clients, and contractors

Qualifications:

- Bachelors of Architecture, minimum
- 5 years experience in architecture or design firm
- Strong proficiency in AutoCAD, Revit, Sketchup, Adobe suite, and other design software
- Strong graphic presentation skills
- Technical detailing experience and understanding
- A quick mind and a sense of humor
- Permanent work privileges in the US (no OPT visa applicants, please)
