

## **Adjunct Instructor 1 - Architecture and Facility Management - Ferris State University**

### **Summary of Position**

The Architecture and Facility Management Department of Ferris State University seeks applications for a part-time adjunct instructor for the spring semester of 2020. Responsibilities involve teaching one or more courses in the following programs: AAS in Architectural Technology and BS in Architecture and Sustainability.

In addition to the more common topics associated with the programs, experience in architectural design and construction documents utilizing Revit and AutoCAD, and digital architectural presentation utilizing software such as Revit, FormIt, SketchUp, Adobe Photoshop or Illustrator are desired.

Teaching assignments will consist of lectures and studios in a face-to-face or blended format on campus in Big Rapids, Michigan. A focus on student success, office hours, and use of current technology are expected.

### **Required Education**

A Bachelor of Science in Architecture is required to teach 100 and 200 level courses. A Bachelor of Architecture or a Master of Architecture is required to teach 300 and 400 level courses. The candidate will be evaluated based upon specific educational background in the subject matter for which the candidate will be assigned to teach.

### **Required Work Experience**

A minimum of five years of professional work experience, and excellent interpersonal and communication skills.

### **Preferred Qualifications**

A Master of Architecture, architectural licensure, teaching and academic experience, and ability to teach in various subject areas of the AAS in Architectural Technology program and the BS in Architecture and Sustainability program.
