

EDGEWATER DESIGN GROUP

ARCHITECTURE ▪ ENGINEERING

Northern Michigan architecture & engineering firm is seeking an experienced, full-time production drafter to join our expanding team. We specialize in the design of custom homes & commercial facilities in northern MI and throughout the US. We offer a broad range of architectural styles which fit the need of our clients. We are seeking a production drafter experienced in ArchiCAD with the necessary skills and knowledge to help produce bid and construction documents. Must be enthusiastic, energetic, have great communication skills and be professional. Must have 10+ years of experience. Let us know if you can add value to our team.

Please send resume & examples of work to Lindsey Bur.
