

Technical Architect / Project Architect

TMP Architecture, Inc.
Bloomfield Hills, MI

We are seeking a Technical Architect / Project Architect with 5+ years of experience to work on a variety of K-12 and College & University projects. Candidates must have strong technical abilities and be capable of design development and production of construction drawings and details. Desired skills include proficiency in AutoCAD/Revit, a strong aptitude for construction detailing and documentation, professional degree / registration, and a working understanding of the BIM platform.
