

NED APIGIAN, AIA

Candidate for Michigan State House District 11

[Dearborn Heights (part), Garden city, Inkster, Livonia (part), Westland]

Dear Colleague,

As fellow design professionals, primarily Architects who reside in the cities of Dearborn Heights, Inkster, Garden City, Westland and Livonia which primarily comprises the 11th District of the State of Michigan House of Representatives and others of interest is the reason for this invitation.

A fellow Architect, Ned Apigian, AIA who also is an Elected Official, in his second (4) year term as a Councilman in the City of Dearborn Heights has decided to run for the open seat in the 11th District. Subsequently, we are primarily asking those of us most associated with the above Communities which comprise the 11th District to help one of our own to be elected, which will be beneficial to us collectively as a profession. Presently, only one engineer and a surveyor are legislators, NO Architects.

Ned has earned: two Associate Degrees, In Liberal Arts and Science, from the Henry Ford Community College; a Bachelors Degree In Architecture, from the University of Detroit; and a Masters Degree, in Urban Planning from Wayne State University. Ned is a NCARB Certified Architect, licensed in the State of Michigan, as an Architect; and as a Professional Community Planner; and also as a Residential Builder.

Please join us to meet Ned at my office on Wednesday May 28th at 6:00pm and let's see how we can all help him get elected for our mutual Professional benefit.

Fill out the bottom of this form and fax in your RSVP and mail your check to **Tiseo Architects, Inc.**
