Edition 7.1

Happy Monday!

This weekend I had the pleasure of taking part in a croquet event for the Michigan Architectural Foundation (MAF) that Damian Farrell, AIA hosted. It was a great day for croquet and it is always a great day to participate in an event that benefits the MAF!

If you are thinking about joining the other AIA members and the AGC at the Mid Summer Conference, think fast because spaces are filling up quickly! Remember to check out the special Sunday offer from the Grand Hotel (see full details in the article below) and head to the [website](#) for the program and registration information.

Also, photos from the 2013 AIAMI Design Awards are ready and they are included in this Monday's Minutes. There are some gems in the group, so I hope you enjoy them!

Sincerely,

Cathy Mosley, Hon. Aff. AIAMI
AIA Michigan Executive Director

Glen LeRoy, FAIA, Bob Ziegelman, FAIA, Les Tincknell, FAIA and Marion Tincknell catch-up. The gents are all gold medal winners from previous years and it is great to have them in attendance (and sporting their "bling")!

The song, "We Are the Champions," was re-written with AIA Michigan-themed lyrics and Tom and Jan Casai lead the group in a surprise sing-along. The songbirds pictured here include Bob Washer, Hon. Aff. AIAMI, Lauren Myrand, Associate AIA, and Tracy Sweeney, AIA.

The stolling dinner included tasty, portable foods, such as these salads in mini takeout containers.

We are fairly certain that the group from progressive ae, including Thom Danckaert, AIA and Brian Koehn, AIA were pretty excited about their award!

Art Smith, FAIA won the Gold Medal this year and brought his family to celebrate!

Cindy Pozolo, FAIA brought her family to celebrate her induction into the College of Fellows.

Lynne Merrill Francis, Hon. Aff. AIAMI celebrated her Honorary Affiliate achievement with her husband, Edward Francis, FAIA

Michelle Saroki, Hon. Aff. AIAMI (pictured here with Victor Saroki, FAIA and Alex Saroki, Associate AIA) is a new Honorary Affiliate Member for 2013!

LTU AIAS: Grassroots Donations Needed!

A message from the AIAS chapter at LTU:

We are the American Institute of Architecture Students (AIAS) at Lawrence Technological University (LTU) and we are passionate about enhancing the college experience for architecture students. Our chapter's focus on the development of leadership programs helps connect students with the profession of architecture; empowering students to take control of their architectural education and give back to the community.

This year our chapter wants to send our students to the AIAS Grassroots Leadership Conference in Washington, D.C. This conference has been preparing future leaders in architecture for

the past 28 years and we want to give all of our LTU AIAS members the opportunity to attend this important symposium.

The AIAS LTU chapter has been an independent student run organization for the past 33 years and has created a culture of collaboration, education, and professional career preparation. With your contribution you are helping the AIAS facilitate a community of active, dynamic students who want to get more out of our education than just a diploma-- we want to make a difference!

Any donation, big or small, will help us achieve our goals so click [here](#) if you are interested in donating. Thank you!
