

## Architectural Professional Level I (3-5 yrs)

InToto Studio is seeking technically focused architectural professionals interested in joining our community focused Detroit design practice. The ideal candidate is critical, curious, and will bring at least 2 years of post-graduate professional experience; an interest in developing design concepts through detailing and documentation; a desire to learn and grow with our practice; and enthusiasm for contributing to our collaborative office culture.

### Required experience:

- Bachelor of Architecture or Master of Architecture degree
- At least 2 years of post-graduate professional firm experience
- Familiarity with all project phases and project documentation
- Demonstrated interest in developing design concepts through detailing and documentation
- Proficiency with Revit

### Other qualifications:

- Strong design and graphic sense; proficiency with Adobe Creative Suite, Rhino, Enscape, V-Ray
- Exposure to specifications, building codes and technical building assemblies
- Self-motivated and organized, with the ability to coordinate multiple tasks and deadlines
- Ability to work both independently and collaboratively as a member of a team
- Excellent written, verbal, and visual communication skills with clients, consultants, and coworkers

### Roles and Responsibilities:

- Collaborate with team to develop details and construction documents
- Coordinate with consultants to meet design and technical goals
- Research materials and assemblies

### Compensation and Benefits:

- We offer a competitive compensation and benefits package

InToto is an Equal Opportunity Employer
