

## Design Assistant

Are you ready to work for one of the preeminent Architecture Firms in Southeast Michigan? At Fusco, Shaffer & Pappas, we are designing projects throughout Michigan and across the country. Fusco, Shaffer & Pappas has been recognized as a top-20 architecture firm in metro Detroit by Crain's.

We are seeking qualified, highly motivated individuals to join our Firm as a Design Assistant. We are looking for talented Professionals that are passionate about their role as an Architect and how they can affect their communities and the built environment within them.

The Assistant Designer plays a key role in our organization, working closely with the Principals, Designers, and Clients to develop projects from Concept through Design Development.

## About FSP

Fusco, Shaffer & Pappas Inc., Architects and Planners is an award-winning, service-oriented architectural firm notably recognized for creating unique environments for living since 1963. Our mission is to plan, design and complete projects by bringing each client's vision to life with the highest level of quality and professionalism.

Our practice primarily revolves around creating Environments for Living for Multi-Family Housing Developments, Mixed Use Communities, Senior Living and Healthcare Facilities. Our work includes both new construction as well as adaptive re-use and historic preservation.

## Responsibilities

- Responsible for assisting the Design team developing concepts under the direction of the Lead Designers, including coordination with the Clients and Municipalities.
- Participate collaboratively in a team-oriented environment.

## Qualifications

- Professional degree in Architecture or Design, related experience a plus.
- Familiarity with Design, Development and Construction Documents.
- Experience with 3D rendering and graphics programs such as Sketch Up, Lumion, Adobe Photoshop and In-Design required.
- Microsoft Office and Bluebeam experience a plus.
- Great oral and written communication skills.

If you would like to join our team, please apply by submitting your resume and portfolio. For more information on FSP, check out our website at [www.fuscoshafferpappas.com](http://www.fuscoshafferpappas.com).
