

INFORM Studio seeking a Senior Project Architect

INFORM Studio, an award-winning design firm, is seeking a talented and motivated individual to join our Northville, MI office.

We are looking for a motivated and passionate professional eager to be part of our creative culture. As a Sr. Project Architect at INFORM Studio you will act as a team leader in the execution of thoughtful, site responsive projects which remain focused on the end-user and their experience of space. The Sr. Project Architect must embody the design ethos of INFORM Studio and will be responsible for the quality and completeness of design and technical deliverables for all project phases on assigned projects. As a leader in our studio, you will also be responsible for the mentorship and development of team members, establishing individual goals while providing guidance, motivation and support. As a multidisciplinary practice, you will have the opportunity to work in close association with our interior design, urban design and engineering disciplines and also collaborate with our Project Management team to ensure we remain effective in the delivery of our professional services.

Firm Description

INFORM Studio is a woman-owned architectural and design practice with offices in metro Detroit and Chicago. We specialize in the design of mixed-use, community, cultural, retail, urban design, and housing projects all across the nation. As a team of architects, interior designers, engineers, urban and computational designers, we are focused on changing the way the built environment is designed and delivered to bring positive change.
