

TMP Architecture, Inc. is an architectural firm specializing in the planning and design of facilities for life-long learning. We are committed to a collaborative, team-driven approach to problem solving and provide the highest level of design excellence and service for our clients.

PROJECT ARCHITECT

We are seeking an experienced Project Architect with 5+ years of experience to work on a variety of K-12 and College & University projects. Candidates must have strong technical abilities and be capable of design development and production of construction drawings and details.

MINIMUM REQUIREMENTS

- Professional degree / registration
- Strong aptitude for construction detailing and documentation
- Proficiency in AutoCAD/Revit
- Experience with the BIM platform

Email resume and work examples with “Project Architect Applicant” as the subject line to the Office Manager at: info@tmp-architecture.com
