## **Architect** Entry Level

### Responsibilities:

The Collaborative has an opportunity for a talented entry level architect to join our Ann Arbor or Toledo offices. The candidate will be a member of project teams involved with higher education, corporate and commercial projects throughout the mid-west and east coast. Requisite skills are strong design, planning, and problem-solving capabilities. Proficiency in BIM, various rendering platforms and Adobe Creative Suite products a plus. Candidates should possess a Bachelor's or Master's Degree in Architecture or related field. A successful candidate will be self-starting, flexible, and quick to contribute to our range of projects for nationally known clients.

Locations: Toledo, Ohio & Ann Arbor, Michigan

## **Technical Architect** 5 to 7 Years' Experience

### Responsibilities:

The Collaborative is actively recruiting technical architects for our Ann Arbor and Toledo offices. The candidate will be responsible for a project's technical design effort, subsequent detailed design development, project coordination and quality control efforts during all phases of project work, all while in close collaboration with the design team. Attention to detail, a basic knowledge of building codes and ability to work in a team environment is very important. Proficiency in BIM is required. Professional licensure encouraged.

Locations: Toledo, Ohio & Ann Arbor, Michigan

## **Experienced Interior Designer** 5 to 10 Years' Experience

### Responsibilities:

The Collaborative is looking for an experienced Interior Designer, in both our Ann Arbor and Toledo offices, interested in the opportunity to work alongside Architects and Designers to create unique and inspiring environments. The candidate should possess a passion for design, experience in guiding the development of both the 2-dimensional and 3-dimensional fit and finish of spaces and strong verbal and graphic communication skills. The position will include the independent development and management of smaller interiors projects as well contributions to larger multi-disciplinary projects during all phases from concept development through construction administration. Prior business development, client management and BIM experience a plus.

Locations: Toledo, Ohio & Ann Arbor, Michigan

**Senior Level Landscape Architect**  
10+ Years' Experience

**Responsibilities:**

The Collaborative is looking for an experienced Landscape Architect, in both our Ann Arbor and Toledo offices, interested in the opportunity to work alongside Architects and Interior Designers to create unique and inspiring environments. The candidate should possess a passion for design, a breadth of knowledge on various plant and tree species, an interest in sustainable site practices and strong verbal and graphic communication skills. The position will include the independent development and management of smaller landscape projects as well contributions to larger multi-disciplinary projects during all phases from concept development through construction administration. Prior business development, client management and BIM experience a plus.

**Benefits**

The Collaborative offers competitive compensation and an excellent benefit package, including 401(k), profit sharing, professional development reimbursement, and 100% paid professional exams and dues. We offer paid vacation and sick leave, as well as pay for 8 federal holidays. We also believe in a flexible work schedule to help with work/life balance.

**About Us**

With offices in Ann Arbor, Michigan and Toledo, Ohio; The Collaborative provides integrated services through Architecture, Landscape Architecture, Interior Design and Planning.
