

Are you a creative, out of the box thinker who pays attention to detail and works well under pressure? Would you rather be part of a smaller, highly creative team? Edge Design Associates is the place!

In a small firm, everyone wears multiple hats. Our tasks and challenges are different every day.

Position Description: Architectural Staff Level 1 with three to five years of experience, works under direction of others, responsible for projects' technical design; provides planning/design/coordination consultation on large projects; reviews/approves conceptual designs.

Responsible for specific technical design aspects of an assigned project, including investigation, evaluation, and recommendation of design solutions. Performs assignments under direction with limited responsibility for design. Provides professional architectural consultation in the planning, design, and coordination of large, complex projects. Independently makes decisions on significant architectural design problems and methods. Reviews and approves conceptual designs. Carries out complex or novel assignments. A working knowledge of Revit, Autodesk products, Sketch Up, Adobe Suite and MS Office.
