Edition 8.3

Happy Monday!

This week we have an exciting announcement: we are actively seeking a **Public Policy Director**. This will be a new position for AIA Michigan and we are looking forward to having a new member of our team. If you or anyone you know would be interested in this position, please click [here](#) for the position details and be sure to contact me with any questions.

We still have a few tickets available for the upcoming "**Tiger Tailgate**" event! The tailgate party at the DAC will be followed with a great game against the Cleveland Indians on Friday, August 30th. We hope you will start your Labor Day weekend off right with your fellow AIA members, so be sure to register on the [website](#) today!

Please mark your calendar for the Design Retreat September 20-21st and keep an eye out for more information and the event flyer in future emails. The AIAMI Annual Meeting on October 25th and more information about that event will be coming out next month. Watch the website for future updates!

Have a great week and we hope you stop by the Beaubien House for a visit or a tour if you are in Detroit!

Sincerely,

Cathy Mosley, Hon. Aff. AIAMI
AIA Michigan Executive Director

Upcoming Events

-August 30, 2013: AIA Michigan "Tiger Tailgate" at the DAC and Comerica Park, Detroit

We all want vibrant, sustainable, and livable communities: historical buildings help. Joining the past to the present and the present to the past is not always easy. Done thoughtfully, preservation can knit past and present together to create a whole greater than the sum of the parts.

Kendall is honored to have Mayor George Heartwell, City of Grand Rapids and Brian Conway, Michigan State Historic Preservation Officer, to give opening and closing remarks, as well as an impressive group of panelists!

Location: Kendall College of Art and Design's Historic Federal Building in downtown Grand Rapids
When: Friday, September 6, 2013 (5:30pm Reception, 6:30pm Program).

Space is limited. Please [RSVP](#) early.

New Licensing Requirements Seminar

AIA Detroit BCRC is having a New Licensing Requirements Seminar to explain the new rules in effect. There are 3 HSW credits available for this event.
