

# AIA Michigan Monday's Minutes

Cathy Mosley, Hon. Aff. AIAMI  
Executive Director

January 6, 2014  
Edition 1.1

## Happy Monday!

And Happy New Year! The office is open after our annual holiday hiatus and we are rested and ready to plan great AIA Michigan events for you.

We have a great opportunity for intern architects to learn more about the licensure process coming up on the 23rd of this month! The A.R.E. Forum is free to attend, so check out the flyer below and email [Christine](mailto:christine@aiami.com) with any questions. The Leadership Retreat just around the corner as well, so please email [Evelyn](mailto:evelyn@aiami.com) if you have any questions.

The Health Facilities Conference is in Traverse City this year on March 20-21st, and we have two ways you can be involved in this successful event: become a sponsor and/or submit your project presentation. This is our "last call" for these opportunities, so please read about them in the following articles and respond ASAP! Registration for this event will open online this Friday and the brochure will be in the mail early next week!

Although summertime seems far away, short sleeves and the Design Awards will be here before you know it! Keep an eye out for the Call for Entries, which will be sent out later this week.

Have a great week and remember to contact me anytime with your ideas or if you would like to join a committee!

**Cathy Mosley, Hon. Aff. AIAMI**  
**AIA Michigan Executive Director**

## In This Issue

[A.R.E. Forum: Jan 23rd!](#)

[CAM's Michigan Construction & Design Tradeshow](#)

[Great Lakes Masonry Expo 2014](#)

[AIA National Design and Health Conference](#)

[Health Facilities: Become a Sponsor!](#)

[Health Facilities: Call for Project Presentations](#)

[AIA + 2030 Professional Series](#)

**A.R.E. Forum: January 23rd!**

[Dennis King, FAIA](#): Public Policy Director: Public Awareness, Government Affairs and Fund Development.

## Conference: Call for Abstracts

The AIA, AIA Foundation and the Association of Collegiate Schools of Architecture will host a summit in April 2014 titled **The Value of Design: Design and Health**. In anticipation of that event, the AIA Design and Health Leadership Group has prepared a Call for Abstracts which invites the submission of abstracts of ongoing or recently completed design and research projects that address the intersection of design and human health. **The submission deadline is February 12, 2014.**

The goal is to use member feedback and participation to curate a one-of-a-kind summit featuring the best work across a myriad of academic, professional, and scientific fields.

You are invited to review the final report from the first year of the CGI/AIA/MIT "Decade of Design" project:

Design and Health Summit Call for Abstracts: click [here](#).

Decade of Design Report: click [here](#).

## Health Facilities: Become a Sponsor!

The Health Facilities Conference, held in conjunction with the State of Michigan, is a successful event each year for our organization and this year is the second year that the conference is open to Sponsorship.

We already have a number of great Sponsors committed to this event but we would like to extend this opportunity to the entire membership while there are a few spots still available! Click [here](#) to download the Sponsorship form. You still have time to make the online recognition deadline date of February 1st, so don't delay!

## Health Facilities: Call for Project Presentations

Submit your project presentation to be featured at the Health Facilities Conference in March! See the documents below for details and call the office with any questions you may have!

## 47th Michigan Health Facilities Planning Seminar - 2014 Project Presentation

### Call for Entries

**Due Date: Wednesday, February 5, 2014**

The Michigan Health Facilities Planning Seminar Project Presentation Subcommittee is seeking submittals for our **47th Seminar** scheduled for Thursday & Friday, **March 20th & 21st, 2014 at the Grand Traverse Resort in Traverse City, Michigan.**

Because the presentation of projects continues to be a resounding success, we are again offering this opportunity to highlight the leading edge of design work being done by Michigan Architects. As always, your participation is needed to make this feature a continued success.

This year we are again requesting that the review submittal be in **electronic PDF format.**

What is new this year is that the **final approved project presentation will be included in electronic format** on the seminar website for viewing. You will also be allowed to display a panel of the **approved** project page at the seminar.

All panels must be made from half (1/2) inch thick foam board (Gatorboard), 24" x 24" in size. **It will be your responsibility to transport the panels to the seminar location.** Easels will be provided for the display of the panels.

There will no longer be the need to submit 400 printed copies as required in the past, saving printing costs and minimizing environmental impact.

#### The Criteria for Submittal is:

- A **\$200.00 submission fee** payable by check, money order or credit card, is required for each PDF formatted, project file submitted for approval. **If submitted after the Due Date, an added \$100.00 late submission fee will be required for each project page.**
- The submitting Architect/Architectural Firm **must be** licensed to do work in Michigan.
- The Project must have been completed or occupied no earlier than January 2009.
- If under construction, the project must be scheduled for occupancy by December 2014.
- We wish to stress that **each of these project files is to be geared to the presentation of ONE INDIVIDUAL health care project.** It is **NOT** the committee's intent or desire that these be general advertisements for each firm.
- Multiple listings of projects in one submittal **will not be accepted.**
- A maximum of **three** projects per Architect/Architectural Firm will be permitted.
- The orientation of the page must be in **landscape** format.
- Color or black and white graphics is at your option.
- The project file must include the project information noted as "required" on the submittal form.
- **Please limit the size of the PDF file to 5MB.**

#### Please Send Your Entry Form and Payment To:

Evelyn Dougherty	email: <a href="mailto:evelyn@aiami.com">evelyn@aiami.com</a>		
AIA - Michigan		Telephone: 313-965-4100	
553 E. Jefferson		Fax: 313-965-1501	
Detroit, Michigan 48226			

Clearly mark your submittal: **47<sup>th</sup> Health Facilities Planning Seminar - 2014, Project Presentation Submittal**

#### Please Send Your Entry Form and the PDF File and/or direct any questions to:

Julia F. Herschelman AIA	
Telephone: (248)551-3632	
Fax Number: (248)551-3624	
E-mail: <a href="mailto:jherschelman@beaumont.edu">jherschelman@beaumont.edu</a>	

**47th Michigan Health Facilities Planning Seminar - 2014  
Project Presentation**

**Submittal Form**

**Due Date: Wednesday, February 5, 2014**

- **Please complete one submittal form for each project submitted.**
- By Wednesday, February 5, 2014, please submit your submittal form & fee to Evelyn Dougherty ([evelyn@aiami.com](mailto:evelyn@aiami.com)) at the AIA Michigan Offices and e-mail your submittal form & project PDF file to [jherschelman@beaumont.edu](mailto:jherschelman@beaumont.edu) for review.
- By Friday, February 14, 2014, you will be contacted if any revisions or enhancements are required for your submissions.
- By **no later than** Wednesday, February 26, 2014, receipt of the approved electronic file will be required **at the AIA - Michigan Offices.**

## AIA + 2030 Professional Series

The AIA+2030 Professional Series begins Sept 26th and helps design professionals create buildings that meet the ambitious energy efficiency goals of the 2030 Challenge. Ten, 4-hour sessions offer strategies to reach 60% reduction in fossil fuel greenhouse gas emissions, giving design professionals the knowledge and leverage to create next-generation, super-efficient buildings and provide firms with the skills that will set them apart in the marketplace.

AIA Huron Valley has arranged for this year's AIA +2030 sessions to be held at Henry Ford Community College, Dearborn. Please view the full description and registration information [here](#).
