Happy Monday!

Although AIA Michigan has great programs that draw large numbers of participants, don't overlook our smaller events. These smaller tours are great for learning, networking and they can give you a fresh perspective when you need a little creative jolt. Last week I announced the **Blu Homes Firm Tour and Happy Hour** in Ann Arbor (coming up on August 2nd) and although

the event is geared towards Emerging Professionals, everyone is welcome to attend and learn about Blue Homes' unique creative process. (See the flyer below for details and RSVP to christine@aiami.com).

Our newest small-scale event is a special tour of the "**Michigan Modern**" exhibit at the Cranbrook Art Museum. Monica Ponce de Leon, AIA, and Gregory Saldana from MPdL Studios designed and curated the exhibition and will generously donate their time to give a small group of members a guided tour of the exhibit. The event cost is only museum admission, but spaces will fill quickly, so please email christine@aiami.com to reserve your place. (See the event flyer below for details).

We are also planning a "**Tiger Tailgate**" event for the August 30th Friday evening game against the Cleveland Indians. The "Tiger Tailgate" will include tailgating at the Detroit Athletic Club with food and drinks provided and group seating at the game. It is \$50 for AIA members and \$35 for Associate members, which includes food and drink at the DAC and your ticket! We hope you will start your weekend off right with your fellow AIA members, but be sure to RSVP to christine@aiami.com by July 29th to reserve your seat! (more details and a flyer will be available soon).

It's also not too early to mark your calendar for the Design Retreat September 20-21st and the AIAMI Annual Meeting on October 25th. Watch the website for future updates.

Have a great week and we hope you stop by the Beaubien House for a visit or a tour if you are in Detroit!

Sincerely,

Cathy Mosley, Hon. Aff. AIAMI
